

Take a break in our sensory space.

A relaxing place to chill out during the festival

Uniting Local Area Coordination (LAC) proudly supports Tamworth Regional Council as Event Inclusion Partner for the 2025 Tamworth Country Music Festival. Enjoy the music, and come visit our sensory space if you need a break.

What we do at Uniting LAC

- We assist people with disability by connecting them to supports and services in our community.
- Our team includes people who identify as First Nations, and people with lived experience of disability.
- We work to break down barriers to inclusion in the community and we're assisting with inclusive planning for the Tamworth Country Music Festival.

Delivering the NDIS in your community
